

STANDARDIZED WOODWORK

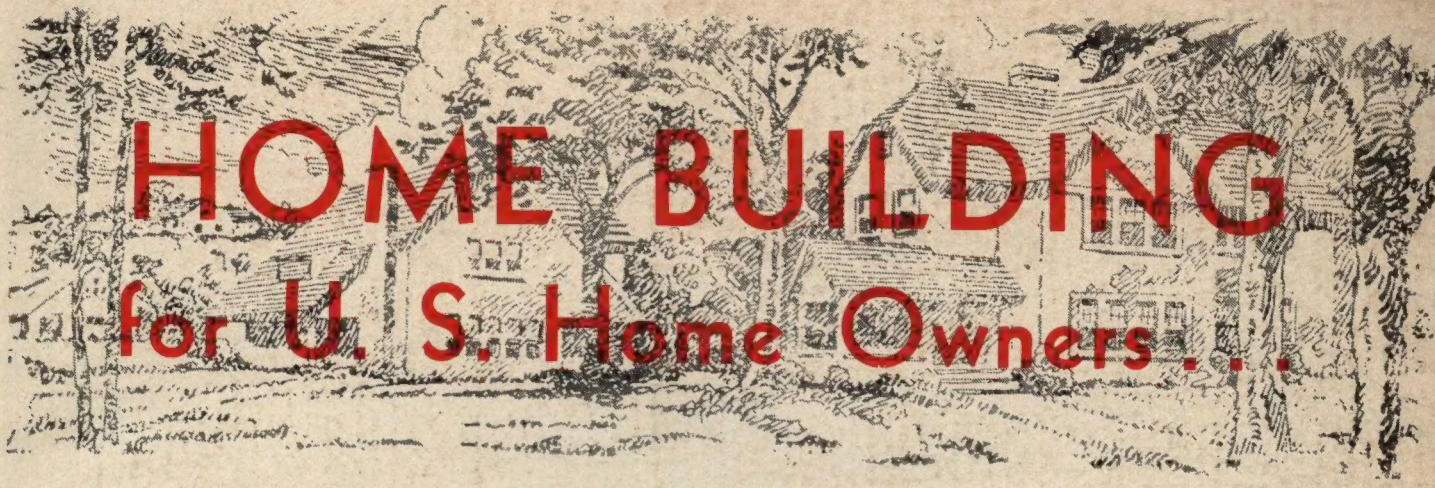

1935

ANGEL

NOVELTY COMPANY
FITCHBURG, MASS.

HOME BUILDING

for U. S. Home Owners...

... HAS BECOME THE NATION'S MAIN HIGHWAY
TO RECOVERY FOR 1935!!

Government financial aid, coupled with the cooperation of the Retail Lumber Dealers throughout the country, will give business in general - as well as the Building Industry - the greatest stimulus this Nation has ever known.

LUMBER DEALERS! There now exists a great necessity for millions of home repair and modernization jobs, and for the building of many new modern homes in line with the present-day standards making the GREATEST OPPORTUNITY as well as the GREATEST RESPONSIBILITY that was ever offered to the men of the Home Building Industry.

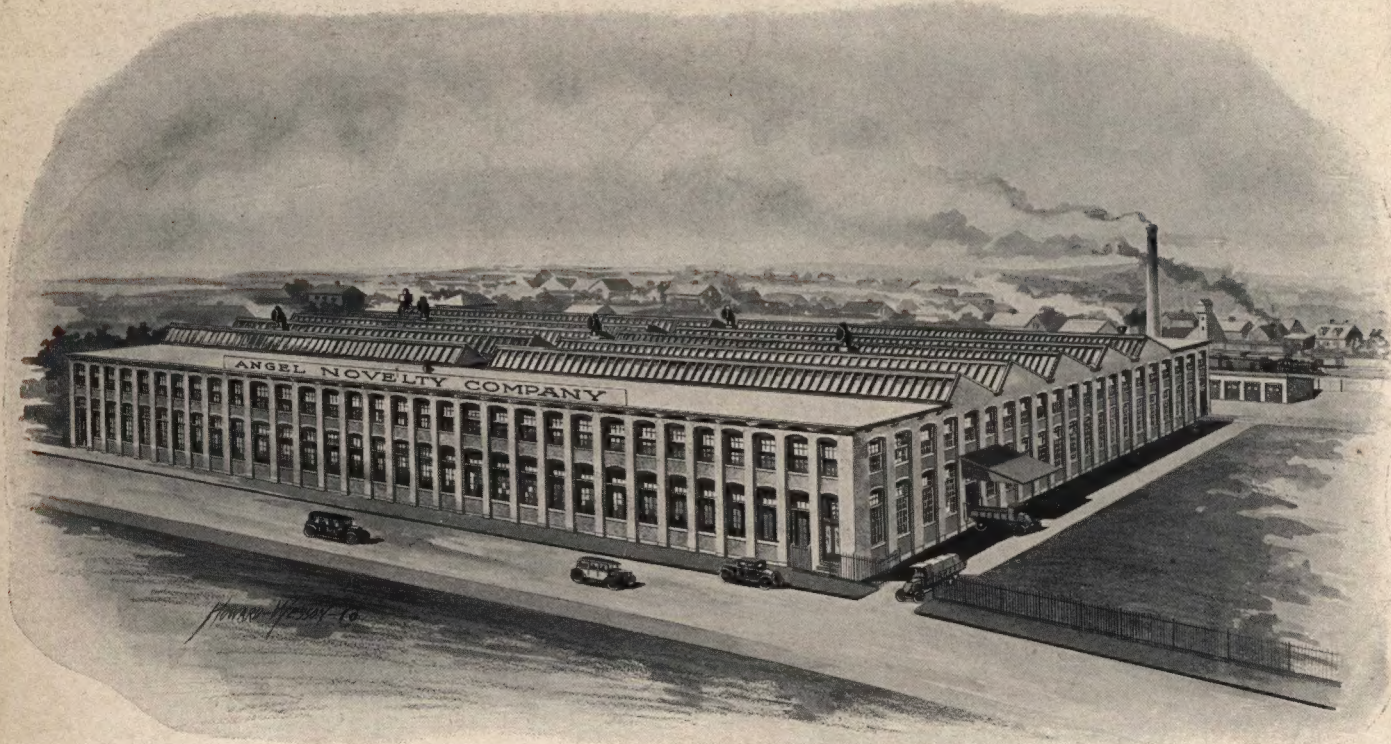

In presenting this New 1935 Catalog, we, The Angel Novelty Company of Fitchburg, Massachusetts, offer to all retail lumber dealers a most complete line of Standardized Woodwork for the home . . . and accept in return the responsibility of the retail lumber dealers to supply the many homes throughout the country with products of beauty, quality, and economy.

As a home-owner who seeks the fullest satisfaction, or as a dealer who hopes to build, or maintain, a reputation of reliability - you may choose any "Angel" Product in this catalog with implicit expectation of gratifying your desires.

We invite your careful inspection of the following pages illustrating our line of Standardized Woodwork, feeling confident that their many distinctive advantages - both in design and construction - will be readily apparent to you.

Very truly yours,

F M Angel

THE PLANT BEHIND THE PRODUCT

Our modern mill occupies over three acres of floor space. It is fully equipped with the latest type of woodworking machinery and is manned by a personnel of skilled craftsmen.

THE QUALITY OF ANGEL PRODUCTS

GOOD architects and builders everywhere prefer "Angel's standardized woodwork" because . . . of the new distinctive beauty of design, superiority of construction, and fine finish. All stock is particularly selected for color and grain and freedom from defects. Thorough kiln drying prevents shrinking or swelling when in use. Each item is carefully sanded and properly packed to insure safe delivery on the job.

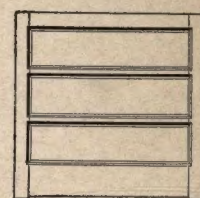

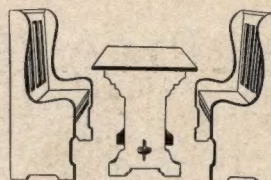

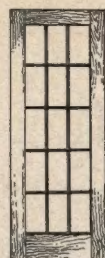

OUR GUARANTEE

WE GUARANTEE that the merchandise is exactly as illustrated in this catalog. We guarantee to give you full and complete satisfaction, when you purchase from us, that articles sold you represent full value — a real saving — and will give you the satisfaction you have a right to expect.

FRAMES

WINDOWS

Like a new suit of clothes . . .
"Angel's" outside woodwork will
"dress up" the HOME . . . glad-
den the hearts of within . . . and
create favorable impressions.

Beautiful Entrances, Inviting Front
Doors, strong well-built Side and
Back Doors, scientifically con-
structed Windows and Frames
(listed from pages 6 to 30) . . .
will give beauty and distinction
to the HOME, as well as a close
pleasing harmony.

ENTRANCES and FRONT DOORS

A-1

Complete Entrance as illustrated consists of frame, door, side light sashes and transom sash.

Colonial Door: Made from clear select White Pine stock — flush moulded. Eight raised and beveled panels on outside and flat panels inside.

Face measurements of stiles 5" bottom rail 10". Thickness $1\frac{3}{4}$ ".

Frame: Complete frame includes trim as illustrated. Frame is made from a clear select White Pine with Oak sill and is shipped set-up (transom and side lights in one crate, door in separate crate and trim in one crate). (For 4" stud walls.)

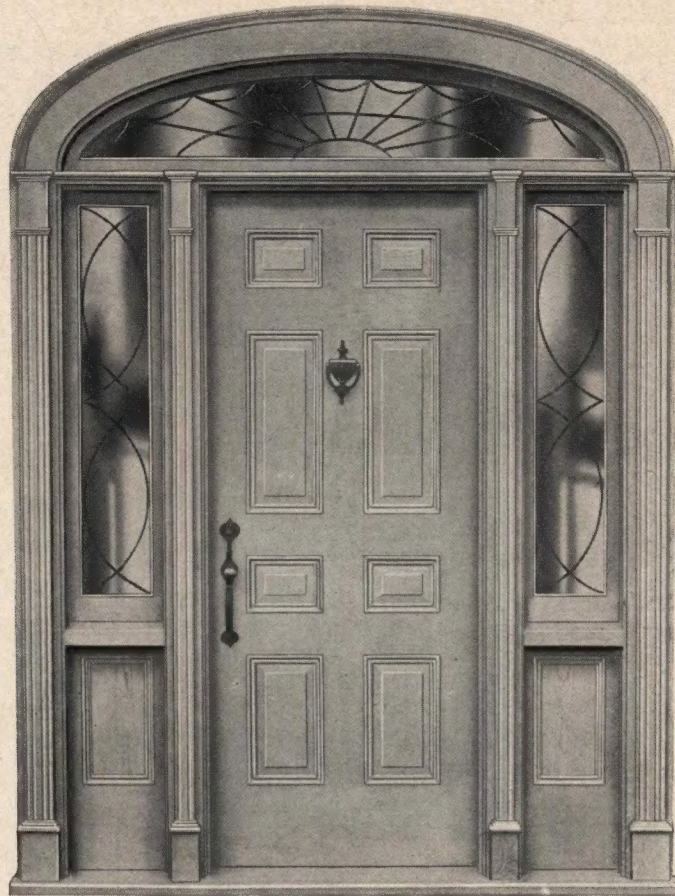

Transom Sash: 14" wide, at its widest point. Made from clear select White Pine, glazed with plain glass. Thickness $1\frac{3}{8}$ ".

Note: Side lights, $1\frac{3}{8}$ " thickness, are glazed with plain glass.

Size of Door	Thickness	Rough Opening	Width of Side Light
2' 8" x 6' 8"	$1\frac{3}{4}$ "	6'0" x 8'2"	1'2"
2'10" x 6'10"	$1\frac{3}{4}$ "	6'0" x 8'4"	1'1"
3' 0" x 7' 0"	$1\frac{3}{4}$ "	6'0" x 8'6"	1'0"

ENTRANCES and FRONT DOORS

A-2

Complete Entrance as illustrated consists of frame, door, side light sashes and transom sash.

Colonial Door: Made from clear select White Pine stock — flush moulded. Eight raised and beveled panels on outside and flat panels inside.

Face measurements of stiles 5"; bottom rail 10".

Frame: Complete frame includes trim as illustrated with panels beneath side lights. Frame is made from a clear select White Pine with Oak sill and is shipped set-up (transom and side lights in one crate, door in separate crate and trim in one crate). (For 4" stud walls.)

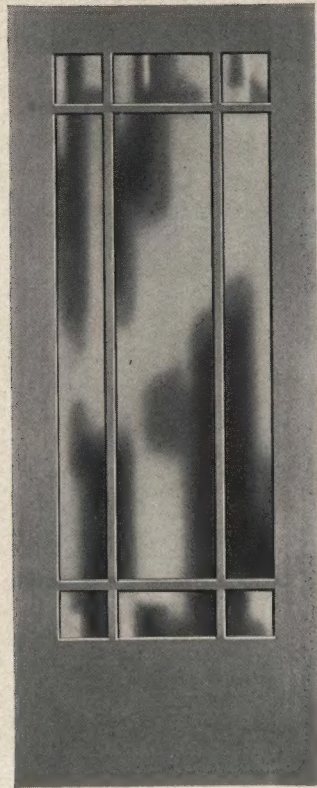

Transom Sash: 14" wide at its widest point. Made from clear select White Pine, $1\frac{3}{4}$ " thick and glazed with leaded glass.

Note: Side Lights are also glazed with Leaded Glass.

COMBINATION STORM AND SCREEN DOOR

"All Season" doors, for once they are fitted and hung, it is only necessary to remove the screen panel and insert sash panel to make it a substantial winter door.

SPECIFICATIONS

Stiles	4 $\frac{3}{4}$ "
Bottom Rail	9 $\frac{1}{4}$ "
Thickness	1 $\frac{1}{8}$ "

16 Mesh Galvanized or Bronze Screen furnished.

Shipping Weights: 40 pounds open, 50 pounds glazed.

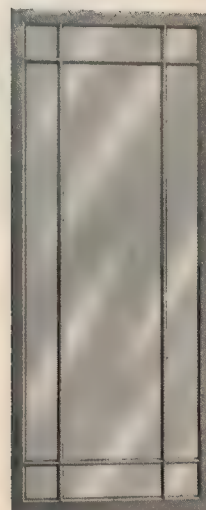

Note: Each Door furnished complete with Sash and Screen Panel — 8 light, 12 light or Border Light Sash furnished.

Glazed Sash Nos. 737 - 738 - 739 are putty bedded.

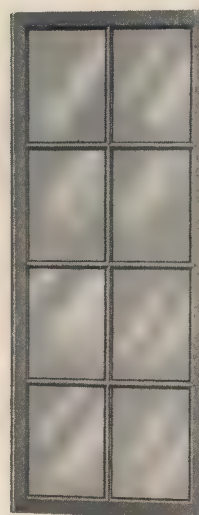

Size of Door	Thickness	Size of Door	Thickness
2' 6" x 6' 7"	1 $\frac{1}{8}$ "	2' 10" x 6' 11"	1 $\frac{1}{8}$ "
2' 6" x 6' 9"	1 $\frac{1}{8}$ "	2' 8" x 7' 1"	1 $\frac{1}{8}$ "
2' 8" x 6' 9"	1 $\frac{1}{8}$ "	2' 10" x 7' 1"	1 $\frac{1}{8}$ "
3' 0" x 6' 9"	1 $\frac{1}{8}$ "	3' 0" x 7' 1"	1 $\frac{1}{8}$ "

WHY IT'S BETTER!

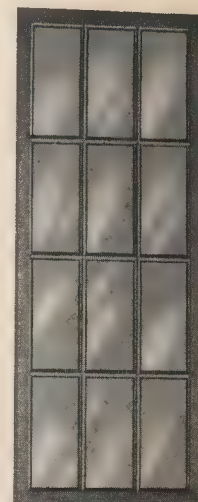

1. Four special FASTENERS, carefully built into the Screen or Sash Panel, result in an unshakeable — noiseless — swinging Door.
2. Made from a clear selected Pine stock which eliminates the common evils of WARPING, Splitting from rough handling, etc.
3. A special groove made on the bottom of each Screen or Sash Rail, fits snugly and tightly over the top of the cross rail insuring a strong, rigid door that will withstand the hard and constant day in and day out usage.
4. Dowel construction (16 Dowels) throughout . . insuring strength and wear which ordinary doors with mortise and tenon construction do not possess.

No. 543

Interior Hardware for Cabinet furnished.

Door Hardware is sold separately. See page 62.

No. 549

New Style

DRAWER CASES

- 1 Four frames built into this case with mortised and tenoned joints makes possible the strongest, most solidly constructed Drawer Case of its kind on the market today.
- 2 A special gage attached to the top of the back end of each drawer runs along a hardwood drawer guide — preventing sagging when opened.
- 3 The top of the sides on each drawer are rounded smoothly — resulting in easier sliding drawers.
- 4 Each drawer has a lip front on all four sides, making possible real dustproof drawers.
- 5 Braces are placed on both sides — resulting in a rigid and unshakable case.
- 6 All joints are mortised and tenoned, making possible an unusually strong rigid Case, eliminating all possibilities of Split Stiles — so often found on the old style tongued and groove jointed form.

No. 220

No. 210

Carried in stock in Arkansas Pine.

The following sizes are in stock, ready for immediate shipment:

1'6" wide x 2'8" high x 1'6" deep (made in 3 drawers only)

•
"Angel" Partition Panels have many uses.
•

The above Panels can be used to excellent advantage in covering the entire wall of dining room, parlor, library or den. This will provide a beautiful and permanent finish and forms a pleasing background for all of the interior decorating.

Many compactly arranged modern American homes often have odd nooks and space which can be converted, by the use of the above Panels, into pantries, clothes closets and valuable storage space.

"Angel" Panels also can be used to sub-divide space into partitions, sections, or compartments in homes or stores of all kinds.

TELEPHONE CABINETS

The design of the "Angel" Built-In Telephone Cabinets is the result of much experimentation and conforms with the requirements of the telephone companies.

Telephone Cabinets have become popular in recent years. New buildings are few that do not include built-in cabinets. They provide an "out of the way place," and at the same time an attractive receptacle for the telephone instrument and its accessories.

TELEPHONE CABINETS

Angel No. 27

This Cabinet accommodates both types of telephones (the new French type as well as the old style).

SPECIFICATIONS

"Angel" No. 27

Rough Wall Opening: 14" wide, 21" high, 4" deep.

Overall Size: 18" wide, 25½" high.

For use in 3" or 4" Stud Wall.

Material: Arkansas Pine.

Packing: One in an individual dustproof carton.

Shipping Weight: 10 pounds.

Angel No. 28

A square top design with the convenient hinged door that can be used to store the phone book, also as a table if you want to sit while talking.

SPECIFICATIONS

"Angel" No. 28

Less Than Carload FREIGHT RATES ON *Angel* PRODUCTS

These Classifications and Rates have been compiled from reliable rate and classification guides and are assumed to be correct but we do not assume responsibility for errors, etc.

HOW TO USE THESE TABLES

First find the classification in which the article is listed — then, find the rate for that class to the R. R. center mentioned here that is nearest to your city or town — weights of products will be found on the descriptive page in catalogue for each item — the actual freight charges are then easily figured based on the rate per 100 pounds.

FOR CARLOAD RATES

Inquire, stating the different items and the quantity of each in which you are interested.

NOTICES

All Orders Subject to Our Acceptance

Prices quoted here are F. O. B. Fitchburg, Massachusetts.

For Delivered Prices

See Schedule of Freight and Trucking Rates on Pages 127-129 and 130.

IF YOU DESIRE DELIVERED PRICE QUOTED . . . Inquire stating the items and quantity and we will forward the information at once.

Crating Charges

On Full Crate Lots as specified in description for each item there is no Crating Charge, but on less than Full Crate there is an Extra Charge of 35 Cents for Crating and Handling on Windows and sash, and 60 Cents on Doors and Built-in Specialties.

Short or Damaged Shipments

When goods arrive, check carefully with invoice and should you find any error, kindly advise us promptly. If a shipment should arrive in damaged condition, have the railroad agent make a notation of damage on the face of freight bill, before goods are taken from station — then if you desire us to place the claim with railroad for you, keep the shipment on hand for inspection, send us the freight bill and the original Bill of Lading and we will file claim with railroad, and upon collection of claim from R. R. will credit your account.

Returned Goods

Please do not return any material without first writing to us for shipping instructions.

Special Work

Drawings and sketches and all necessary details should accompany special jobs and these jobs cannot be cancelled after work has been started except on account of our error.

Prices For Special Jobs

Depend on quantity, time needed to supply the nature of the goods, and when desired will be quoted on specially. Please do not determine price on special jobs by comparison with regular stock.

IMPORTANT! . . . Read these Instructions . . . BEFORE ORDERING!

Before mailing your order — spare a moment or two and read the description covering the articles on your order very carefully . . . Be sure to state item number, thickness, length, width, depth, or height, knock down or set up, glazed or open, kind of material, (yellow pine, white pine.) Specify whether you desire freight, truck, or express delivery

This Information Will Eliminate Costly Delays and Inconvenience.

ANGEL NOVELTY CO.

Woodwork Mfrs.

FITCHBURG, MASS.

Dear Sir:

Enclosed is your reserved copy of "Angel's" New 1935 Catalog . . describing and illustrating the biggest line of Built-In Specialties in the East - and including a complete line of Windows, Sash, Frames, and Doors.

The quality and construction of every "Angel" Product is guaranteed to be exactly as described in our catalog. The constantly increasing demand for "Angel" Building Products, due to production basis manufacturing, has resulted in unusual low prices for our lumber dealer customers throughout the East . . meaning that you, Mr. Building Contractor, in turn will get real low prices on any "Angel" Product - from any lumber dealer in your town, city, or district.

Ask your local lumber dealer about "Angel" Products! Have him show you the actual item, and you will be amazed at the many features of quality workmanship - as well as our low prices.

For additional information concerning any "Angel" Product, see your local lumber dealer . . or write direct to our offices.... (with the understanding that there will be absolutely no obligation on your part whatsoever).

We trust that our New 1935 Catalog will meet with your approval, and hope we may be of service to you through any one of our local lumber dealers.

Very truly yours,

ANGEL NOVELTY COMPANY

BY *J M Angel*
